

The Lifting & Heavy Haul Solutions Provider of Choice

NC Services Group

NC SERVICES GROUP LTD. ANNOUNCES THE APPOINTMENT OF TED REDMOND AS ITS NEW PRESIDENT AND CHIEF EXECUTIVE OFFICER

Continuing Strategy to be the Dominant Provider of Lifting & Heavy Haul Solutions

EDMONTON, AB August 4, 2010 - NC Services Group, "NCSG" and its subsidiaries Northern Crane Services, Trans Tech Contracting, and Mullen Crane and Transport, is pleased to announce that it has hired Ted Redmond as its new President and Chief Executive Officer, and member of the Board of Directors. Ted brings a wealth of experience to NCSG, having recently served as the Executive Vice-President of the Energy Products and Services Segment, the largest segment of McCoy Corporation, a Toronto Stock Exchange traded Company.

In addition to his leadership position with McCoy, Ted has over 25 years of senior management experience, both in Canada and the U.S., with leading international companies including; Rockwell International, The Boston Consulting Group and Lacent Technologies. In his new role with NCSG, Ted will work hard to execute on the strategic vision of the Company to be the lifting and heavy haul solutions provider of choice in Western Canada and the United States.

In his previous roles, Ted has had experience running businesses offering services to the oil sands, conventional oil and gas, refining/petrochemical industries as well as public utilities. These experiences and contacts will be invaluable to Ted in his new role as CEO of NCSG.

Ted's academic achievements are equally impressive as he graduated with a B.S. in Computer/Electrical Engineering from the University of Alberta, a M.S. in Electrical Engineering from the University of Toronto and a MBA from California based Stanford University.

Ted is an Edmonton native and lives there with his family.

About NC Services Group

NC Services Group started out as Northern Crane Services which was founded in 1987. Since that time, NCSG has grown through internal growth and acquisition to become the largest independent full service crane and heavy haul company in Alberta. NCSG has been a long-time participant in the growing Western Canadian economy and has offices in Edmonton, Fort McMurray, Grand Prairie, and Fort St John, in Canada and in Idaho, Montana, Iowa and Texas in the United States. The company provides lifting and heavy haul services throughout Alberta, Saskatchewan, British Columbia and the Northwest Territories as well as in the energy and wind corridors in the United States. NCSG has a diverse fleet of approximately 180 cranes, ranging in size from 8 to 1,200 ton as well as a highly specialized heavy haul tractor and trailer fleet servicing the oil sands, traditional oil and gas, infrastructure and the wind industries. NCSG is a privately owned Alberta based company which is a portfolio company of Seattle based private equity firm Northwest Capital Appreciation.
