

*The Lifting & Heavy Haul Solutions Provider of Choice*  
**NC Services Group of Companies**

**NC SERVICES GROUP LTD. LAUNCHES WIND ENERGY DIVISION**

*Continuing Strategy to be the Dominant Provider of Lifting & Heavy Haul Solutions*

EDMONTON, AB, Thursday, April 2, 2009 – NC Services Group Ltd. (NCSG) announces the formation of its new Wind Energy Division.

Specializing in the transportation, erection and maintenance support for wind turbines, NCSG's Wind Energy Division provides one-stop solutions for getting wind turbine components from the manufacturer to the jobsite.

With over 10 years experience in the wind energy market, and the erection of over 1000 towers, NCSG has successfully completed numerous wind farm erection and maintenance projects throughout North America. From transportation and logistics to lift planning and erection NCSG offers a comprehensive solution to the customer.

Our impressive fleet of transport equipment with specialized trailers designed for wind turbine component transport, ensures that the equipment gets to the site on time and without incident.

NCSG's impressive fleet of over 150 cranes includes some of the largest crawlers and all terrain cranes in North America. In addition, the company's fleet of transportation equipment includes specialized blade trailers and tower transport trailers.

NC Services Group Ltd. will be presenting its turnkey capabilities at the **Wind Power Conference & Expo 2009 in Chicago, Illinois May 4 – 7<sup>th</sup>**. We invite you to stop by our booth and learn how we can provide customized solutions for your lift and specialized transportation needs.

**About NC Services Group Ltd.**

[www.ncservicesgroup.com](http://www.ncservicesgroup.com)

NC Services Group Ltd. (NCSG) is comprised of fully operated and maintained crane rentals, specialized heavy haul transport, professional engineering and project management services. With locations in the United States and Canada and over 150 cranes in the fleet and trailers that range from 8 to 112 wheels capable of hauling up to 165 tons, NC Services Group Ltd. is quickly becoming the lift and heavy haul solutions provider of choice in North America.
